

OGLALA LAKOTA COLLEGE
 CHEYENNE RIVER COLLEGE CENTER YEARLY ACTION PLAN:
 AY 2017-2018

<p>OLC Strategic Goal II: Provide student support services to facilitate persistence, retention, and completion of student educational goals.</p>				
<p>College Center Strategic Goal I: Strategize to help students complete the academic year and to return to OLC to achieve their goal of obtaining their degree with OLC.</p>				
<p>College Center Strategic Objective 1: Have available support for our students to retain, persist, and complete.</p>				
Strategies	Measuring Tools	Expected Results	Actual Results	Improvements to Strategy
<p>Objective 1.1: Encourage students to register early to reduce class cancellations.</p>	<p>Student Advising Meeting to show students their next step in obtaining their degree.</p>	<p>Students will know their schedule for the next semester. Fewer classes will be cancelled.</p>	<p>Student Advising form has help increase the students' interest in the following semester.</p>	<p>Continue encouragement from faculty, earlier meetings between advisors and students with the advising</p>
<p>Objective 1.2 Engagement from the faculty and counselors to provide effective counseling and academic advising.</p>	<p>Log sheets & using the Early Alert system to identify and support our at-risk students during the academic year.</p>	<p>Assist students in solving issues that may arise during the semester.</p>	<p>Log sheets were used to track student contact.</p>	<p>Continue using log sheet each semester. Find ideas to create engagement with students and advising. Implement early-alert training.</p>

Objective 1.3 Incorporating College Success information at our open house to help persist students at CRCC.	Survey to show increased information for the students that they need to become successful and complete their degree program.	Students will become familiar with deadlines and how and when to complete important information about college life.	Information was advertised throughout the college and on social media. Low participation from students.	Include the students e-mail and mail boxes at the college center. Increasing participation with upper level students juniors and higher.
